

Anthony Rothe Memorial Trust

Outline of format for making application for research funding for salaries for research workers and/or for maintenance costs.

Applications for research funding must follow this format:

- 1. Name, Postal and Email Addresses of a single Principal Investigator**
- 2. Scientific Project Title (do not exceed 75 characters)**
- 3. Lay Project Title (do not exceed 75 characters)**
- 4. Lay description (maximum 2000 characters)**
- 5. A statement outlining the relevance of the proposal to research into Leukemia or allied blood disorders**
- 6. (a) Name and address of Administering Institution**
(b) Institution and site where the project will be conducted and the funds spent
- 7. Other Funding Agencies from whom support for this project is being requested**
- 8. For each Associate Investigator: Name, appointment, address, qualifications, percentage of time to be devoted to this project. Include a half page outlining the role of the AI and how they would contribute to success of the project.**
- 9. Clearances from institutional Committees, where appropriate, for:**
 - (a) Human Ethics**
 - (b) Animal Ethics**
 - (c) Biosafety (recombinant DNA and/or carcinogenic/toxic chemicals and/or radiation)**
- 10. Budget:**

- (a) **Detailed budget for first year**
 - (b) **Amounts requested for subsequent year(s), if relevant**
 - (c) **Justification of budget and length of time requested**

- 11. Concise curriculum vitae of Principal Investigator (maximum 2 pages)**

- 12. Summary of Grant Support from all sources:**
 - (a) **Past support (previous six years)**
 - (b) **Current support**
 - (c) **Requested for next year, including applications to other granting bodies for this project**

- 13. Aims of the project, listing specific hypotheses, relevance and potential significance (maximum 200 words)**

- 14. Background and Research Plan (maximum 9 A4 pages, 12 point)**

- 15. Publications of the PI over the last six years, with a maximum of six regarded as the most relevant marked with an asterisk**

- 16. Completion of certifications by Chief Investigator, Head of Department and Head of Institution on the attached form.**
